SKILLS

Programming Languages: Java, JavaScript

Frontend: HTML5, CSS3, JavaScript (ES6), React,

Backend: Spring, Spring Boot, REST API

Databases: MySQL

Core Subjects: OOPS, DBMS

PROJECTS

AI-Based Workout Planner

2024

Java, AI Tools, Web Technologies

- Developed a **web-based application** that generates personalized workout plans using AI-driven recommendations.
- Designed end-to-end workflow including **goal-based plan creation**, user input handling, and recommendation logic.
- Integrated backend logic with frontend interfaces to deliver dynamic and personalized fitness suggestions.

INTERNSHIP

Software Development Intern – TAP Academy

Jan 2026 – Present

Campus to Corporate Internship Program (Full Stack Java AI)

Bengaluru, India

- Undergoing intensive training in **Full Stack Web Development using Java**, covering frontend, backend, and database integration.
- Working with **Spring Boot, REST APIs, React**, and AI-assisted coding tools to build industry-ready applications.
- Gaining real-world exposure to the **software development lifecycle**, professional workflows, and collaborative development practices.

Full Stack Java Intern – SkillDzire

May 2025 – July 2025

Short-Term Internship Program

- Successfully completed a **Full Stack Java internship** covering core Java, backend development, and application workflows.
- Worked on practical assignments involving **Java, databases, and full-stack concepts**.
- Strengthened understanding of end-to-end application development and industry-aligned coding practices.

ACHIEVEMENTS

- Maintained strong academic performance with **consistent results** across SSC, Intermediate, and B.Tech education.
- Recognized for **quick learning, adaptability, and problem-solving** skills during internships and academic projects.

EDUCATION

Chaitanya Bharathi Institute of Technology (Autonomous), JNTU Anantapur

2022 – 2026

B.Tech in Computer Science and Engineering (Data Science), Aggregate: 70.7%

India

Sree Gayathri Junior College

2020 – 2022

Intermediate, Aggregate: 87.7%

India

MJPAP BC WR School

2019 – 2020

SSC, Aggregate: 95%

India
